

2019-2020 Impact & Club Engagement Report

SOROPTIMIST INTERNATIONAL OF THE AMERICAS

In 2019-2020, **17,184 girls participated in *Dream It, Be It* through 366 projects** hosted by Soroptimist clubs.

This year, the number of girls reached decreased by 3,702 (18%) and the number of projects decreased by 125 (25%). Of the 366 projects held in 2019-2020, 101 were conferences, 165 were a series of small group mentoring sessions, and 100 were held in another format, such as a hybrid of conference followed by mentoring sessions, and using the curriculum while working with girls ongoing during lunch time and after school periods. This year, clubs contributed 24,441 volunteer hours (27% increase from 2018-2019) and \$443,689 (29% increase from 2018-2019) in support of local *Dream It, Be It* projects.

The increase in girls reached demonstrates clubs' and regions' response to our organizational goal of increased collective impact. Increased impact for *Dream It, Be It*, in addition to 80,000 supporters engaged in LiveYourDream.org, more and diverse funders, and a slowdown in our membership decline prove that we can accomplish more when we work together. To secure our future – and the impact we have on girls – we need to continue our efforts to work towards the same goals. SIA is committed to serving more girls who face obstacles such as poverty, violence, teen pregnancy, foster care or other circumstances. SIA's research found 10.2 million girls in our 21 countries and territories who are 14-18 years old and living in poverty. These are girls who could be served by *Dream It, Be It*. For us to grow our collective impact – and for others to understand how our global efforts improve the lives of girls – we need to continue investing our resources in *Dream It, Be It* to strengthen our story of greater impact.

Using a participant evaluation form, clubs collected responses from girls after each *Dream It, Be It* project and entered them into an online evaluation form. For 2019-2020, the online evaluation form collected responses on behalf of 11,690 participants (78% of girls in our target age group). The girls reported exciting results:

- 88% feel more confident about their future success
- 86% feel more prepared to pursue their career goals
- 81% report *Dream It, Be It* has provided them with new tools to overcome obstacles to their success
- 81% report *Dream It, Be It* has provided them with new tools to overcome setbacks
- 89% understand how their values can connect to possible careers
- 84% know women who want to support their professional aspirations
- 84% were introduced to professional role models
- 81% created achievable goals for their future
