

Community Service Award Application

Soroptimist International of Staten Island is a volunteer organization for business and professional women dedicated to improving the lives of women and girls, on Staten Island. We are part of an international organization that unites nearly 100,000 members in more than 2,000 Soroptimist clubs worldwide.

Each year we make grants to organizations for projects that serve the needs of women and girls on Staten Island and reflect the Soroptimist values of service to the community. The Community Service Awards complement Soroptimist International of Staten Island's other efforts that engage in awareness, advocacy and action through the recognition of women of distinction in our community, financial aid for women in crisis, scholarships for women pursuing higher education and beginning new careers, and for youth involved in community service. Only Staten Island-based organizations are eligible. Organizations must be nominated by a Staten Island club member. In your application, please be explicit in describing how Soroptimist funds will assist women and/or girls.

* Required
